The Bull Shed

+ For those of you that wants to learn more about their favourite dish +

All our steaks are served on a cast iron sizzling skillet and have been seared, with chunky chips, mushrooms, roasted tomato, corn on the cob. And you can swap the chunky chips for a healthy garden salad if you prefer ! (pre-order please) Or swap it for Mac and cheese for an additional £2.

Tony, the not “skinny” cook

“All our steaks were incredibly deep in flavour, wonderfully tender and juicy; I always say that happy animals yield moreish meat, and yet again I was proved right. Everything is done well and, when food’s like that, it doesn’t need owt else. »

Baked Salmon Or Chicken / Chunky Cod

Baked with our home-made braised fresh vegetables in a rich ragu topped off with our own soft fresh goats cheese or cheddar and grilled under a high heat in the Gozney little inferno. Served with chunky chips and corn on the cob or garden salad.

Homemade Gardeners Pie

Braised fresh vegetables in a rich ragu, topped with either goats cheese or cheddar. Served with chunky chips and corn on the cob or garden salad.

Mac & Cheese Made with love

Definitely one for the cheese lovers. Made with mature Cheddar, Mozzarella, and a little bit of Red Leicester. Served with cheesy garlic bread and a fresh garden salad.
